Portfolio: Portfolio Of Arafat Rahaman

Career Summary:

- *Results-driven Content Writing and Digital Marketing professional with **9+** years of experience in SEO content creation, B2B SaaS copywriting, technical writing, and UX-focused content strategy. Skilled in developing high-performing, search-intent-driven content that increases organic visibility, engagement, and conversions across global audiences.*
- *Proficient in creating long-form articles, website copy, email newsletters, landing pages, case studies and marketing content optimized for SEO & AEO, with a strong ability to simplify complex technical and business topics into clear, impactful communication. Experienced in CMS management (Strapi, WordPress), editorial planning, and cross-functional collaboration.*
- *Proven track record of improving organic traffic, strengthening brand authority, and supporting lead generation through data-driven content strategies and performance-focused storytelling.*

Objective:

- To work as a professional content writer delivering SEO-optimized, high-impact, conversion-focused digital content globally.

Key Proficiencies:

- SEO & AEO content writing
- Long-form blog & web content creation
- B2B SaaS copywriting (enterprise / mid-market)
- Customer success stories & case-study writing
- Editorial standards & brand style-guide work
- Content performance tracking & optimization
- Monthly email newsletters & sequences
- CMS management (Strapi, WordPress)
- Landing pages & conversion copy
- Reddit/community marketing
- Content calendar & editorial management
- Customer & SME interviews for content

Job Experience:

Senior Content Writer, ***Transportvibe (Sister concern of WellsGroup)*** *Aug'25 to present*

- Write SEO and AEO long-form content for a US service marketplace, covering car shipping, RV transport, and delivery operations for a business and operator audience.
- Build conversion-focused service and pricing pages plus search-intent guides that support organic traffic and lead generation.
- Own publishing end to end in Strapi CMS, including metadata, internal linking, and editorial consistency across the site.
- Produce website copy, legal pages, disclaimers, and other supporting assets on a self-managed schedule.
- Lead content planning and run Reddit and community strategy across WellsGroup, Transportvibe, and Safeeds brands.
- Train and review junior writers to hold quality, semantic SEO alignment, and brand-voice consistency.

Social Media Strategist - B2B Copywriting, ***Wilbur*** *Mar'24 to May'25*

- Developed engaging and brand-aligned B2B social media content for multiple client accounts.
- Wrote email marketing, newsletter, and campaign copy for a portfolio of 100+ B2B brands, managing calendars and deadlines in parallel.
- Improved email click-through rates by 12% and raised brand awareness by 25% through targeted messaging.
- Read engagement and campaign data, then adjusted content angles to improve lead quality and ROI.
- Analyzed audience engagement and campaign performance to improve content strategy and effectiveness.

Executive, B2B SaaS Copywriter, ***10 Studio (Sister concern of Backspace International Limited)*** *Jul'23 to Feb'24*

- Produced B2B SaaS marketing content and outreach that helped secure 12 enterprise partnerships.
- Lifted qualified lead generation by 20% through high-converting email campaigns and demand content.
- Turned complex SaaS product stories into clear scripts, product narratives, and customer-facing messaging for a senior business audience.
- Partnered with design and sales to keep positioning, voice, and conversion goals consistent across every asset.

- Strengthened customer engagement and brand positioning through strategic storytelling and targeted content creation.

Script Writer & Social Media Manager, ***Business Inspection BD (Backspace International Limited)*** *May'22 to Dec'22*
- Produced 50+ scripts built from business interviews and research, translating operational detail into clear narratives.
- Maintained consistent brand voice across social media platforms with audience-focused messaging
- Drove a 20% rise in engagement while holding brand voice across platforms.

Executive, Content Marketing, ***Backspace International Limited*** *Dec'21 to Feb'24*
- Created SEO and brand-aligned content to a defined editorial standard, holding a 95%+ internal quality score under tight deadlines.
- Improved content clarity and on-page UX to support a stronger reader journey.

Senior Executive, Content Management, Business Dev, ***GOTMYHOST LLC*** *Nov'19 to Nov'21*
- Wrote product marketing, onboarding, and customer-facing content that lifted customer satisfaction by 15%.
- Supported product and lifecycle marketing with structured, persuasive copy.

Web Content Writer, ***Nahidrains Pictures*** *Nov'17 to Jan'19*
- Produced **100+** SEO articles, improving online visibility and supporting lead generation
- Collaborated with production teams, boosting reader engagement by **25%** through effective storytelling

Call Center Representative, ***Universal IT*** *Jul'17 to Aug'17*
- Exceeded sales targets **by 35%** and achieved **98%** customer satisfaction through effective client support.
- Used CRM software to manage customer interactions and improve service efficiency.

Freelance Work Experience:

Social Media Strategist, ***MedAccess Hub*** *Aug'24 to Aug'25*
- Worked with subject-matter experts to fact-check and shape accurate content, then simplified it for a general audience.
- Grew the audience by 1,500+ in a year through a focused content strategy.

SEO Content Writer - Technical, ***CodeWatchers*** *Mar'20 to Mar'25*
- Produced 900+ long-form technical articles, growing organic traffic 300% and supporting 27,000+ monthly users.
- Simplified complex technical topics into clear, useful content, holding consistent quality at high volume.
- Raised search visibility 30%+ through research-led topic selection and SEO structure.

Academic Qualification:
- B.Sc. in CSE from Daffodil International University in 2016.
- HSC in Science from Uttara High School & College in 2012.
- SSC in Science from Civil Aviation School & College in 2010.
